

April 14, 1975

PRESIDENT: Senator...seeing no objection, both Senator Marsh and Senator Dickinson are excused from the Call. Senator Anderson.

SENATOR ANDERSON: Mr. President, I think we are dealing with a lost cause here so I will move that the Call be raised.

PRESIDENT: The question is, shall the Call be raised? Record your vote. Record.

CLERK: 27 ayes, to raise the Call.

PRESIDENT: The Call is raised. Report the vote.

CLERK: 15 ayes, 18 nays.

PRESIDENT: The motion fails.

CLERK: A new bill for introduction, LB 417A introduced by Senators Luedtke and Cavanaugh. Read title. See Page 1264, Journal. Mr. President, Senator Cavanaugh asks unanimous consent to have printed amendments in the Legislative Journal to 528 and also Senator Wiltse asks unanimous consent to print amendments to 306. Mr. President, Legislative Resolution 29 will be inserted in the Journal. Mr. President, Senator Wiltse asks unanimous consent to bracket 528 for 4/23. Mr. President, I don't have a motion to adjourn. That is all I have.

PRESIDENT: Before we adjourn, Vince, and so that nobody's feelings will be hurt, Senator John Cavanaugh was honored this weekend by his alma maters. He received the Outstanding Service from Creighton University so it wasn't a total lost day, Senator Cavanaugh. Senator Burbach.

SENATOR BURBACH: Mr. President, members of the Legislature, I did make up the calendar for tomorrow. I do not know if it is on our desks yet. I haven't seen it but we had 55 minutes of Final Reading, and if they have not been distributed yet, I will redo them and we will pass Final Reading tomorrow because we must take up those bills that we had for General File today, 433, 53, 39, 425, and 132 and we have 368 and 368A and 187 and 187A. We discuss those bills on General File when we get them. We must also take under consideration tomorrow morning the motion of Senator Nichol on LB 328. It is found on Page 1192 so I think it would be very advisable if we would pass up that 55 minutes tomorrow on Final Reading and proceed immediately to General File, after we have Senator Nichol's and other Select File work completed.

PRESIDENT: And then do you move that we adjourn, sir.

SENATOR BURBACH: I move we adjourn to...just adjourn, please.

PRESIDENT: There is a motion to adjourn. All those in favor say aye. Contrary nay. We are adjourned.
